MORE ABOUT THE GRAPE QUESTION

Continued from page 4

says ought to be told. Let us see how it sounds. Last year the Southern Michigan hired an inspector to see that the growers put up an honest package and I guess he tried to do his duty. For, after he had sent home several loads belonging to members near the throne, he was told that he was getting too D—particular, and that he had better retract a little, and in one instance when he had turned down a vineyard that had neither been trimmed, tied, nor cultivated, and refused to take the grapes in eight pound packages and the general manager reversed the decision of the inspector, allowed the owner to pack in eight pound packages and shipped them under Southern Michigan brand to compete with our grapes. Now, what for? I can see no other reason only for the paltry half cent that went into his own pocket.

Every basket was an advertisement for the honor and integrity of the Michigan fruit growers. It was not only a damage to every member of the Southern Michigan but to every grape grower in the fruit belt. These may be some of the benefits that fell to me from the associations. Possibly that 60 cars that Southern Michigan sold to the Pittsburgh firm for six and one half cents to compete with my grapes was another benefit that I should be thankful for. But perhaps I don't fully appreciate favors.

However, some things are worse than breaking Anti-Trust laws and going to jail.

A SPLENDID PRIZE.

The Grape Juice company of this place offered a prize to the salesman in their employ who sold the greatest quantity of their goods within a stated time. A watch was offered for a first, and 16 other prizes of lesser value.

S. F. Hancock of Kansas City was the lucky man. He won the trophy and it is a beauty; of South Bend make, beautifully engraved and cannot be duplicated for \$150. The company appreciates the services of their employees and the fact that the grape juice is in demand all over the country makes it possible for large quantities of it to be contracted for.

HAS RETURNED HOME.

Mrs. Will Showerman returned home from Rochester, Minn., recently after a few weeks absence. She has been under treatment in Mayo Bros. hospital at that place and is very much improved. Mrs. Showerman's health has been uncertain for the past year but she is gaining in strength at this time and her friends are hoping to see her well and strong again soon.

Our Sunday school picnic of last week was a marked success, there being 84 who sat down to dinner. The thanks of the Sunday school is due to Mr. Lammering, who kindly gave the use of his grounds at Three Mile lake and to superintendent and committee in charge who labored so untiringly to make the picnic the success that it was.

JOHN VAN NESS.

John Van Ness was born in Rochester, N. Y., August 26, 1828, and died in Paw Paw, July 23, 1912. He moved to Michigan in the fall of 1853 and in November of that year he was united in marriage to Miss Mary Engle, who died a great many years ago. Five children were born in their home, only two of whom are living, Frank L. Van Ness of Chicago and Mrs. Lester Brewer of this place.

Mr. Van Ness was a farmer at one time, but later had charge of the Warner meat market. He has been in failing health for some time and the attack that caused his death was due to apoplexy. He was a man well known here, having spent a good share of his life in this locality, and was highly esteemed by all. He leaves his son and daughter, besides one sister, Mrs. Margaret Hogmire, of Avon, N. Y.

The funeral was held at the home of his daughter, with whom he has lived for many years, Thursday at 2:30 p. m., Rev. Luther officiating. Burial at Prospect cemetery.

MONEVA SLOVER.

Word was received here early in the week of the death of Moneva Martin Slover at the home, 804 Portage street, Kalamazoo, Monday at 6 a. m. He was 51 years of age and his illness had extended over a period of one year. He was in Borgess hospital for eight weeks during the spring months, but later was removed to the residence before mentioned.

He leaves a wife, Eva M. Slover, and one son, Earl M. Slover, of Fort Worden Wash., who has been for some time in the hospital corps of the U. S. army. The son returned to Kalamazoo a short time ago, called here by his father's serious condition.

The remains were brought to Covey Hill, where the funeral was held Thursday at 1 o'clock. Burial at Robinson cemetery.

EASY MONEY.

W. R. Sirrine canvassed the main street of the town last Wednesday and asked the business men if they would pay 50 cents each to the fund for the entertainment of the Battalion visitors for Thursday, August 1. Mr. Sirrine proudly announced to a reporter of this paper that in one hour he collected—and the gift was given heartily and readily—\$27. He added: "That is the stripe of the business men of Paw Paw." The money will be spent for music, rental of chairs, drayage, tea, coffee, etc. It is much appreciated by the entertainment committee.

Do you want a fine photograph of yourself or of any member of your family? A. W. Cleber, The True Northerner's circulation manager, is offering two finely finished cabinet size photographs to all new subscribers and also to old subscribers who pay up all arrearages and for one year in advance. These photographs will be taken by Paw Paw's competent artist, J. J. Duin, and will not cost you one cent. We guarantee that they will be satisfactory in every way. Get your name on the list.

Card of Thanks.

We wish to extend our appreciation to the friends of Winfield Jones and his family for their sympathy and kindness shown at the time of his death. Also to the pastor whose words were so helpful.

Mrs. Ella Jones
Mrs. M. A. Jones
Ralph Jones.

Tax Notice.

I will receive village taxes at the H. C. Waters & Co. Store, Wednesdays and Saturdays and Saturday evenings until August 20th. Three per cent will be added after Saturday, July 20.
